

At Cortex we believe that each situation is unique and requires customization.

Therefore we thoroughly think about all the security and crisis management measures.

This is called 'intelligent security'.

Our services focuses in the areas of:

- personal security
- corporate security
- crisis management
- fraud & integrity
- specialist driver training

## Family security program

*"A family living in the region 't Gooi' is nationally known to be wealthy. Cameras and alarm systems have been installed during the construction of the dwelling, and the family has a subscription with a monitoring centre. In the evening at around ten o'clock when his wife is home alone she is attacked by three men. The burglar alarm goes off however the monitoring centre calls in vain. Meanwhile, the man drives home unknowingly."*

*"The CEO of a Dutch business decides to close three Eastern European subsidiaries. Two days after this publication a stone gets thrown through a headquarter window. Shortly after that his family receives a harassing phone call at home. The CEO and his family are threatened. His wife and children feel unsafe and are afraid to leave the house. Security measures were never taken."*

## Cortex offers

Your personal safety and that of your family is of the utmost importance. Increasingly this sense of safety gets threatened through assets, media attention, business success and social positions as such. In the organization of your personal safety Cortex finds it essential that all measures have been taken to minimize any impact on your private life and to relieve you of your concerns.

Therefore customization of your needs is essential. Cortex offers to take full responsibility and insures quality on your and your family's personal safety.

This program includes a personal risk assessment, continuous (24/7) accessibility and availability of Cortex personnel and expertise, managing the monitoring centre subscription and private response service. Additional services will be determined in consultation with you and will be customized where needed.
